Skills/Interests

Skills

- ❖ Working for five years at Procam TV (Now Procam Take2) and along with my work as a Camera Trainee I have experience with the Arri Alexa 65, Arri Alexa Mini LF, Arri Amira, FS7, C300 & PMW300
- ❖ I became experienced in van driving (Luton, Crafter & Transit) while delivering equipment in London while at Procam;
- ❖ Growing up in Scotland I had access to the Munroe's and became an intermediate Level Hillwalker;
- ❖ In 2018 I started taking figure skating lessons at Queensway Ice Rink and consider myself a beginner Level Ice Skater.

Interests

- ❖ I studied English Literature at Aberdeen University (2009-2013) and have a keen interest in Romantic literature (example: Lord Byron);
- ❖ At School and University I was involved in political societies and campaigned during the 2014 Independence Referendum;
- ❖ I've had an interest in Japanese Language since childhood and can read Hiragana and Katakana;
- ❖ My School Friend and I started a company to export live streamed British theatre to China. This led to my interest in Chinese Cinema;
- ❖ I have been a Formula 1 fan since 2007.

Personal Statement

I first realised that I wanted to work in the film industry when I was eight watching The Matrix on video. I let the credits roll and surprisingly saw there was a behind the scenes featurette. Seeing the crew working to set up the bullet time rig and the lobby fight scene made me think "wow that looks really fun" and that was it.
